e. In the event that the Allegro Smart! parcel is not collected by the Buyer and returned to the Seller, or if the Buyer exercises their right to withdraw from the contract and realizes the return of the Goods via the return form available to the Buyer in the "Purchase History" tab and within the return methods available in Allegro Smart!, Allegro will refund the Seller the basic fee incurred by the Seller in the amount reduced by the value indicated in the table for the unreturned part of the order. A condition for the refund is that the return parcel has a status indicating its delivery. The fee is not refundable if, by dispatching the parcel to the Buyer, the Seller has violated the terms and conditions set forth in the Allegro Terms & Conditions and its appendixes. Return shall be granted as a transaction rebate.
